A short list notice shall be published in one publication of wide circulation in EAC CASSOA Partner State to ensure effective competition.

The Prequalification document is divided into:

- Part I: General Part
- Part II: Instructions to Bidders
- Part III: Preparation of Applications
- Part IV: Submission of Applications
- Part V: Opening and Evaluation of Applications
- Part VI: Prequalification

Appendices:

- C: Evaluation Criteria

PART I: GENERAL PART

1.1 Scope of Bid

1.1.1 EAC CASSOA intends to prequalify eligible firms for the provision of goods, services and works described in **Appendix B**.

1.1.2 throughout this document:

- (a) The “Applicant” means the bidder submitting an application; and
- (b) “Application” means a bid or submission to be short-listed.

1.2 Source of Funds

1.2.1 The goods, services and works to be provided by the Supplier will be financed by EAC CASSOA through its administrative budget.

1.3 Corrupt Practices

1.3.1 It is EAC CASSOA’s policy to require that Applicants/Bidders/ Providers and Consultants, as well as EAC CASSOA Staff observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy, EAC CASSOA:

- (a) Defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) “corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of EAC CASSOA official in the procurement process or in contract execution; and includes, inter alia, bribery and extortion or coercion which involve threats of injury to a person, property or reputation; and
 - (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the EAC CASSOA, and includes collusive practices among Bidders or between a bidder and EAC CASSOA officials (prior to or after bid submission) designed to establish bid prices at artificial, non competitive levels and to deprive EAC CASSOA of the benefits of free and open competition;
- (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
- (c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded an EAC CASSOA contract if it at any time determines that the Bidder has engaged in corrupt or fraudulent practices in competing for, or in executing, a public

contract in any of the Partner States or with any of the International Financial Institutions.

- 1.3.2 In pursuit of the policy, EAC CASSOA requires both EAC CASSOA staff and Bidders to adhere to EAC CASSOA Code of Conduct for Procurement. Bidders are required to indicate their acceptance of EAC CASSOA Code of Conduct for Procurement through the declarations in the **Application Submission Sheet**.

PART II: INSTRUCTIONS TO BIDDERS

2.1 Introduction

EAC CASSOA will evaluate and short list all eligible companies for the provision of various goods, works and services for the Financial Years **2024/25, 2025/26, and 2026/27**. Once a firm has been short listed, it will be invited, several times during the financial year, to submit a proposal for the provision of some or all of the goods, works or services. EAC CASSOA reserves the right to add similar types of goods, works or services to the list in **Appendix B**.

2.2 Objectives

EAC CASSOA invites sealed Applications from reputable Bidders for the provision of various Goods, Works or Services for 3 Financial Years **2024/25, 2025/26, and 2026/27**.

The list of items required during the above-mentioned financial year is given in **Appendix B**.

2.3 Eligible Applicants and Countries

- (d) the applicant is not the subject of legal proceedings for any of the circumstances in (b); and
- (e) the applicant has fulfilled his or her obligations to pay taxes and social security contributions.

2.3.2 All countries are eligible except countries subject to the following provisions.

A country shall not be eligible if:

- (a) as a matter of law or official regulation, EAC CASSOA prohibits commercial relations with that country, provided that EAC CASSOA is satisfied that such exclusion does not preclude effective competition for the provision of Goods or related services required; or
- (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, EAC CASSOA prohibits any import of Goods from that country or any payments to persons or entities in that country”.

2.3.3 An Applicant shall be a natural person, private entity, government-owned entity, subject to 2.3.9, or any combination of them with the formal intent to enter into an agreement or under an existing agreement in the form of a joint venture, consortium or association. In the case of a joint venture, consortium or association, unless otherwise specified in the **Application Submission Sheet**, all parties shall be jointly and severally liable.

2.3.4 An Applicant and all parties constituting the Applicant shall have the nationality of an eligible country. An Applicant shall be deemed to have the nationality of a country if the Applicant is a citizen, or is constituted, incorporated or registered and operates in conformity with the provisions of the laws of that country.

A firm, if acting in the capacity of Subcontractor in any bid, may participate in more than one bid, but only in that capacity. A Bidder who submits, or participates in, more than one bid will cause all the proposals in which the Bidder has participated to be disqualified.

2.3.9 Government-owned entities in Partner States shall be eligible only if they can establish that they are legally and financially autonomous, and operate under commercial law, and that they are not a dependent agency of the EAC CASSOA.
